

MANIC YOUTH

„We don't give a fuck. Maybe that's the problem.“ Manic Youth is about mistakes, love, chaos, anger, hilarity, longing and worries. And they are also a rockband from vienna. Let's see how long it takes to survive the last dreamy days of solid fragility, serious wit and distorted guitars.

Drums and bass are still easier to play than the frivolous flight. Eternally fast-paced and oddly honest, the songs are built close to the water. Manic Youth may sound just like the possibility of the planning of a hopeful love. Or an early summer death groan. Harmony and apathy. Euphoria instead of nostalgia.
